

Arafura Games 2019 – Event Information

Accommodation

- The Organising Committee will recommend accommodation options for participating countries that are in close proximity to the city centre as well as competition venues
- Where possible discounted rates will be offered – each participating country will be responsible to make and manage their own bookings

Transport

- The Organising Committee will offer a free shuttle bus service with dedicated stops at all competition venues as well as specific activation/hub sites
- The free shuttle bus service will operate on a frequency – to be advised

Catering

- The Organising Committee will not be providing meals or dedicated catering to athletes or team officials unless otherwise stated
- Water for athletes will be provided at all competition venues
- Per diems will not be given to participating countries or Team Managers/Chef de Mission

Flights

- All flights will be at the expense of the participating nation
- The Organising Committee encourages each nation to book travel as far in advance as possible
- The Organising Committee will provide staff at the Airport to assist with arrivals and departures, transport questions, event information etc.

Technical Officials

- Technical Officials will be managed by the State Sporting Organisations
- International Federation rules and regulations apply to the Arafura Games – Technical Officials have been sourced according to the competition schedule

Sport Entries

- There are no entry fees to attend the Arafura Games
- The Organising Committee will communicate the deadline for entries once finalised – we ask all countries to submit their expression of interest to participate as soon as possible
- Any questions regarding VISA information or status must be directed to the Department Trade, Business and Innovation

Other

- Athletes and team officials will be requested to represent their country at both the Opening and Closing celebrations.
- All athletes and team officials will receive accreditation that will allow access into the appropriate venues. Accreditations will be accepted on the basis that all athletes qualify under their sport specific rules and regulations
- The Organising Committee will produce a Chef de Mission Handbook containing sport specific and operational information along with things to do in Darwin and the wider NT. This will be in a downloadable format and available online.
